22nd International Lions Summer Academy JUL 17 – Aug 7, 2010 in Germany*

Making friends across Europe

The Summer Academy „Jugendforum“ is organised by the Hilfswerk der Deutschen Lions e. V. (HDL) and attends to promoting European integration. The Jugendforum is opened to all high-school graduates, trainees and students aged 18 to 24 years from all over Europe.

Activities include excursions, company viewings, attendance at cultural events, meetings with important local representatives and members of parliament. The participants will discuss many topics of contemporary society during workshops, conversations and practical project management.

The seminar language is German. Very good German language skills are required.

For further information please contact
PDG Mr. Alexander Rist:
